

We would like to inform you that until **24.07.2021** the Library in Warsaw will renew operations according to the following rules:

1. The Main Reading Room can be used during the Library's opening hours, i.e.
  - Monday, Wednesday, Friday and Saturday: 10.00-18.00

On **25.07.2021-5.09.2021**

the Library in Warsaw will be closed - summer break.

From **6.09.2021** the Library in Warsaw will be open:

- Monday, Wednesday, Friday and Saturday: 10.00-18.00
2. Stationary work, including the use of computers, is possible only at level 0. The number of places in the Reading Room has been limited to 10. There is no possibility of stationary work at level -1.
  3. No possibility to work in groups.
  4. After finishing work at the computer, its users are obliged to disinfect the keyboard and mouse (disinfectants are provided).
  5. Free access to the shelves is allowed, but we recommend ordering through the catalog.
  6. The authorization code for the SPSS statistical program is available in the Library. Please contact us by e-mail. E-mails should be sent from the address from the @swps.edu.pl domain. The message should contain: your first name, surname, students ID number, and the name of the operating system on which the software will be installed.
  7. All Library payments should be made cashless (by card or by bank transfer).

The Oriental Reading Room remains closed until further notice.

Please remember to comply with all applicable safety rules.

We recommend you to use the databases in which electronic versions of books and articles are available. Links to these databases can be found in the Library catalog available online.

We cordially invite you to use the Library.
